DANIEL GONZALEZ

Living Inductee

Selected as the Living Hall of Fame Award winner, Daniel Gonzalez was a part of the American polo scene for over 35 years known both as a player and a coach. A 9-goaler in the U.S. and rated 10 in Argentina, he won every high goal tournament played on the Pacific Coast including the Pacific Coast Open and Butler Handicap. His international record is astounding having won major tournaments in England and France and the most important Argentine tournaments including 7

wins of the Argentine Open between 1961 and 1973. But his most compelling attribute is his commitment to pass on his knowledge of polo to others. Bringing players and teams to California to play for 39 consecutive years, Daniel has coached with dedication. The gift of his knowledge and expertise has proved to be an influence on a countless number of young aspiring polo players.
